AITRI / A2ii / FSI / IAIS Virtual Seminar on Cyber Security and Data Protection in the Insurance Sector

This note sets out the core components of the IAIS-FSI-A2ii-AITRI virtual seminar on cyber security and data protection in the insurance sector scheduled to take place 25th Sep and 1st Oct 2020

Draft Programme: The virtual seminar will consist of combination of online study that participants will carry out individually using FSI Connect tutorials, FSI Insights and A2ii repots as well as attendance to live webinars. The programme of the virtual seminar is presented below:

Topic 1: **Cyber Risk – Introduction, Regulation and Supervision**

Date & Time: 25 Sept 2020, 4pm MYT / 10am CEST (1 hour)	
16:00 – 16:15	**Insurer cybersecurity supervision – ICP application** *Speaker: Alessandro Nardi, Senior Policy Advisor, IAIS Secretariat*
16:15 – 16:30	**Cyber Security Strategy – Cyber Resilience** *Speaker: David Whyte, Head of Cyber Resilience Coordination Centre and Deputy Head of Corporate Security, BIS*
16:30 – 16:45	**Cyber resilience as a key element of IT security strategy – country example** *Speaker: Tbd (ACPR, France)*
16:45 – 17:00	**Q&A session**

Pre-webinar FSI Connect tutorials:

- Cyber Risk – Nature of risk

- Insurer Cybersecurity – Overview

- Insurer Cybersecurity – Applying ICPs and Cybersecurity Frameworks and Guidance

- Insurer Cybersecurity – Selected Supervisory Practices

- Insurer Cybersecurity – Test yourself

- FSI Executive summary: Insurer cybersecurity

- FSI Insights no 21: Varying shades of red: how red team testing frameworks can enhance the cyber resilience of financial institutions

Topic 2: **Data Protection - ICP Application, Country Examples and Case Study of a Data Breach Incident**

Date & Time: 25 Sept 2020, 4pm MYT / 10am CEST (1 hour)	
16:00 – 16:15	**Supervisory approaches to data protection – ICP application and landscape** *Speaker: Hui Lin Chiew, A2ii*
16:15 – 16:30	**Practice examples – Regulatory requirements and breach incidents** *Speaker: South Africa or Kenya (tbc)*
16:30– 16:45	**Practice examples – Regulatory requirements and breach incidents** *Speaker: Singapore (tbc)*
16:45 – 17:00	**Q&A session**

Pre-webinar A2ii reports:

- The role of insurance regulators in dealing with consumer data protection risks

- Regulating for responsible data innovation: the role of insurance regulators in dealing with risks relating to consumer data protection and privacy

- Reports on consultation calls https://a2ii.org/en/media/239/download and https://a2ii.org/en/media/282/download

FSI Connect tutorials: the FSI will provide free FSI Connect accounts to all seminar participants to access tutorials related to the webinar topics. Participants are expected to self-study those tutorials in advance of the respective webinars. The temporary accounts will be available for one month, after the last webinar.

Webinar format: Each webinar will be 60 minutes long. Information about how to use the communication platform will be provided to all participants in due course.

Participants: maximum 150 participants from insurance authorities

Language: FSI Connect tutorials, A2ii reports and presentations will be in English.

Certificates: certificates will be granted to those participants who attend the two webinars.
